Dear Colonel Lea,

Re: Application for funding assistance

Further to my letter of 12th September 2006 I am writing to let you know that we have recently been made aware by the Big Lottery that they won't provide funds towards the refurbishment of premises.

The programme that we have applied to will fund staff posts, if successful, but won't provide any funds towards initial set-up costs. It is therefore vital that we can find local funding for these elements of our project.

I look forward to hearing from you in due course.

Yours sincerely,

Tom Barker
Director
